## Instruction page which explains how to navigate and use the site:

**Annual Education Programs @ HRHS Instructions**

When selecting each module, you will need to login for attendance by searching and selecting your name and entering your birthdate (no password required). Review of modules and completion of post-tests are recorded. Statistics are made available to department managers.

EACH ANNUAL EDUCATION MODULE IS COMPOSED OF A SERIES OF SLIDES AND QUIZ. TO BEGIN A MODULE, CLICK ON THE MODULE NAME IN THE MAIN FRAME OR CLICK ON DROP-DOWN LIST FROM LEFT FRAME

QUIZZES CAN BE ACCESSED AT THE END OF EACH MODULE OR VIA QUIZ MENU ON LEFT FRAME.

FUNCTIONS ON LEFT FRAME ALSO ALLOW YOU TO ACCESS YOUR COMPLETED MODULES, FEEDBACK FORM, LOGIN AS A DIFFERENT USER (IF SHARING PC), MANAGER FUNCTIONS, PRINTER FRIENDLY MENU AND VIEWING INSTRUCTIONS ON

## Earlier version of online tutorial for Physician tutorial:

The screenshot shows the 'Overview' page of the Net Access Online Tutorial. The browser window title is 'http://altavista/Intra/PhysicianViewTutorial/NETACCS2\_Release 2\_files/frame.htm - Microsoft Internet Explorer'. The address bar shows the URL. The page features the Holy Redeemer Health System logo in the top left. The main heading is 'Net Access Online Tutorial Ver.2.0 Rel. 8/1/03'. A large yellow button labeled 'Overview' is centered at the top. Below it, the text reads: 'Welcome to Holy Redeemer Health System's computer tutorial for Siemen's Net Access Clinician's View. NetAccess is a web-based product which will provide access to patient census, results, demographic information, allergies, vital signs, I & O's, admission history and more. There are various reference tools including Micromedex and Milliman & Robertson CareGuidelines. In addition, Physician Order Entry is now available including the following areas: TX/DX, Med/IV and Patient Care. Remote access is also available through our Virtual Private Network. Contact the Information Management Helpdesk at 215-938-3900 for further information.' A left-hand navigation menu contains buttons for 'Overview', 'Tutorial Instructions', and numbered sections 1 through 6, plus a 'Help Index'. At the bottom left, it says '2 of 165'. At the bottom right, there are yellow arrows and the text 'PREVIOUS NEXT'. The status bar at the bottom shows 'Done' and 'Local intranet'.

The screenshot shows the 'Module 4: Order Entry-General Flow' page of the Net Access Online Tutorial. The browser window title is 'http://altavista/Intra/PhysicianViewTutorial/NETACCS2\_Release 2\_files/frame.htm - Microsoft Internet Explorer'. The address bar shows the URL. The page features the Holy Redeemer Health System logo in the top left. The main heading is 'Net Access Online Tutorial Ver.2.0 Rel. 8/1/03'. A large yellow button labeled 'Module 4: Order Entry-General Flow' is centered at the top. Below it, the text reads: 'This module includes descriptions and examples for: Order Entry Flow, Search to Locate Test to Order, Revise an Order, Physician Order Sheet - Sample Printout'. A left-hand navigation menu contains buttons for 'Overview', 'Tutorial Instructions', and numbered sections 1 through 6, plus a 'Help Index'. At the bottom left, it says '68 of 165'. At the bottom right, there are yellow arrows and the text 'PREVIOUS NEXT'. The status bar at the bottom shows 'Javascript:parent.GoToSld("slide0168.htm");' and 'Local intranet'.

5. Order Entry-Specific Areas

6. Fast Mode/Order Sets

Help Index

The next step in the order entry process would be to select the category of tests you will be ordering.

Each tab will display tests for the selected area.

This includes **MedRx, DX/TX, Patient Care and Order Sets.**

The **Search** button can also be used to search for a test.

Multiple tests for the same or different categories may be selected.
